

WORD LISTS

The lists below show two types of words—those that children can decode and encode and nondecodable Memory Words (highlighted) that children learn to recognize by sight. Use these lists to provide

additional practice with or assess decoding, encoding, handwriting, and other skills. To create additional decodable words, add -s to appropriate nouns and verbs.

14 (B)	15 (R)	16 (N)	17 (M)	18 (P)	19 (V)	20 (W)	21 (K)	22 (J)	23 (Y)
