

Mission Statement

Saint Philip Neri School is committed to provide a quality, Catholic education to students. Emphasis is placed on helping students to “know, Value and Live” the Schoolwide Learning Expectations. The totality of curriculum always attempts to address the needs of the whole child. The staff unites with parents, students, and community to provide a strong “Faith Family” in order to ensure that religious and academic education is achieved.

Why Choose St. Philip Neri School?

St. Philip Neri School provides a positive, supportive, and personalized learning environment that emphasizes the needs of the whole child: body, mind and spirit. Students are challenged to be Good Catholic Christians, Academically Prepared Learners, Active Community Members, Globally Aware Citizens and Self-Aware Individuals. We are committed to collaborate as a faith-filled community with our parish church, administration, faculty/staff, parents, students and alumni to provide an education focused on integrating knowledge, faith, and service. So, build a strong foundation for a brighter future and give your child the gift of a lifetime. Come be a part of our St. Philip Neri family!
